

**30th June 2010**

**COTTON BAGS**

---

From Project manager, Phil Cooper:

An issue of '*Update*' with the vouchers for the bags will go out during July.

---

Additional info:

*Extract From last report (April 2010):*

They can be claimed by householders by presenting a voucher from the Update newsletter, delivered to all households in the town. The idea is to get people in Whitchurch to use their local shops.

Note:

There is also a report on this project on the Town website:
