WHITCHURCH GREENAWARE – SPECIAL UPDATE

Not now directly a project but related news:

A grant was received to support Whitchurch GreenAware Week in March 2010. Part of this was used to obtain Insurance to cover the many separate events that made up the Week.

The best Insurance was an Annual policy.

This policy is now also to be used for a further event on 11th December 2010
See below:

Latest Update

Gill Nethercott Centre

Saturday 11th December 2010

A Green Christmas Fair with stalls and other attractions is presently being arranged.

A Christmas film in conjunction with Whitchurch Films

(www.whitchurchfilms.org.uk) is booked – A Christmas Story

An acoustic music afternoon/evening is arranged with light supper, drinks and local musicians. All are welcome to this.

The Gill Nethercott Centre has been booked.
