

31st October 2010

MAP and TOWN BROCHURE (AMENITIES GUIDE)

BACKGROUND

Person responsible for seeing through to completion:
Phil Cooper

Repeat from last report rec'd (April 2010):

April 2010

Half the comments from businesses have been received the remainder will be collected this week (12 April). Blooming Digital will then rework the artwork.

No reports, information or material have been received.

The Project is now in volunteers' hands and work is being done on updating.

PRESENT POSITION

While some work has been undertaken it was also to be coordinated with the distribution of the Cotton Bags.

le – the businesses involved could have been highlighted on the leaflet!

See the latest Cotton Bag Report:

There have been been similar ideas about highlighting Fairtrade and non-plastic bag establishments, and involvement of the proposed new business group (which held its initial meeting just two days ago). This is ongoing.

LATEST

After a meeting, work is now being done on updating information and looking at different formats prior to printing.
